~~SECRET~~DCI STATEMENT BEFORE SSCI HEARING ON NFIP PERSONNEL  
23 July, 1986

25X1 The people of the Intelligence Community are its greatest asset--ground of our success, shield against our adversaries, hope against the challenges to come. This simple fact is easy to lose sight of in the age of high technology, and I am pleased that you have chosen to examine our personnel situation in this systematic way. We have much to tell you about it. We have cause for satisfaction in our progress thus far, and for some alarm as we look ahead. [REDACTED]

25X1 Our satisfaction comes because Congress has provided us with the large numbers of additional people we have asked for over the last several years. This has enabled us to put the past behind us and catch up with a lot of problems that only people can solve, such as [REDACTED]

25X1 [REDACTED]

25X1 [REDACTED] In addition, we are devoting a great deal of attention, as you know, to rebuilding our support infrastructure. If I may digress for a moment, I understand that support is not a subject that you wish to cover today, but
